

COVID-19: FACE MASK GUIDELINES

HOW TO WEAR FACE MASK

1

Wash your hands before putting on your face mask.

2

Place each ear loop around your ears.

3

Make sure it is snug to your face.

4

The mask should cover your mouth and nose.

5

Do not touch your mask while using it.

HOW TO REMOVE FACE MASK

1

Wash your hands before removing your face mask.

2

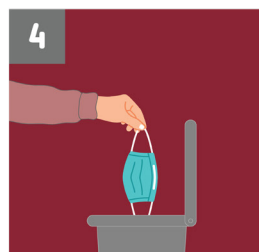

Do not touch the front of your mask.

3

Always remove your mask from behind your head.

4

Discard it immediately in a closed bin.

5

Wash your hands again when you are done.
