How To Download the Travel App - Step by Step

Step 1: Download the Assist America Travel App by scanning the QR code with your device's camera, or by searching for "Assist America Travel App" in the App Store or Google Play Store. The app should appear as one of the top results.

Step 2: Tap Download or Install. You may be prompted to enter your password, Face ID, or fingerprint–this will vary depending on your device's security settings.

Step 3: Once the installation is complete, locate the Assist America Travel App on your home screen.

Step 4: Open the app. Tap "Get Started." Review the Terms and Conditions by tapping the "Next" button to get through the pages, then select "Accept and Continue."

Step 5: Choose your preferred language, then enter your Reference Number and Name in the fields provided. Tap "Next" to complete the setup process.

Step 6: Once you've successfully logged in tap "Get Started" to begin using the Assist America Travel App.
